

Policy on Responsible Sourcing of Platinum

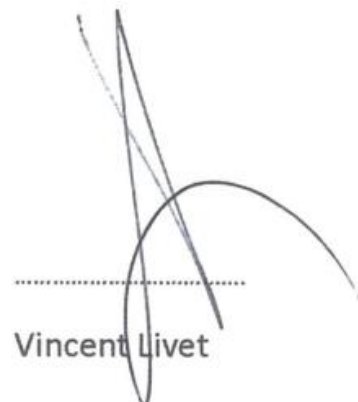

1. Legal Compliance: Trimoro commits to complying with all applicable laws and regulations regarding the sourcing and trade of platinum, including those related to labor rights, environmental protection, and anti-corruption.
2. Ethical Sourcing: Trimoro will prioritize sourcing platinum from suppliers who adhere to ethical standards, including respect for human rights, fair labor practices, and community well-being.
3. Environmental Stewardship: Trimoro supports environmentally responsible practices in platinum mining and refining, aiming to minimize environmental impact and promote sustainable resource management.
4. Transparency and Traceability: Trimoro seeks transparency throughout its platinum supply chain, encouraging suppliers to disclose the origin and journey of materials to ensure accountability and traceability.
5. Collaboration and Continuous Improvement: Trimoro collaborates with stakeholders, including suppliers, industry partners, and experts, to promote best practices and continuously improve sourcing standards.
6. Sourcing: Trimoro purchase only Platinum from LBMA or recycled sourced
